Opportunity for a BC/BE Electrophysiology Cardiology Physician.

Candidate assumes a key role working in a **Watson Top 50 Cardiology Hospital** focused on patient-centered heart care, coordinated with primary care and internal medicine physicians - from diagnostic testing and symptoms management to post-surgical treatment. Candidate also works with an established and dedicated HF/Pulmonary HTN Team with an extensive client base and long-standing positive patient/physician relationships. This team is well trained and successful with meeting and maintaining compliance with HF Core Measure metrics.

Mercy Cardiology provides complete cardiac care including cardiac surgery, vascular surgery, in-house catheterization, and interventions. Outreach opportunities in 10 county service areas with strong referral relationships with primary care, internal medicine, and surrounding communities. **Mercy also has a robust 24/7 in-house hospitalist program.**

### About Mercy Hospital
