#### Our Mission

*Mercy Iowa City heals and comforts the sick and works to improve the health of the community in the spirit of Jesus Christ and the Catholic tradition of the Sisters of Mercy.*

The Mercy Inpatient Psychiatrist diagnoses and provides treatment for many behavioral health conditions that occur in adults. Our program integrates complementary medicine techniques alongside the traditional modalities of psychotherapy and medication management. Our inpatient unit integrates evidence-based medicine, complementary healing methods, and a humane philosophy of care for the holistic treatment of mind, body, and spirit. These complementary techniques include mindfulness, meditation, yoga, therapeutic touch, and biofeedback. The inpatient unit specializes in the care of patients needing short-term hospitalization for extreme mental distress. We do not accept involuntary patients or those requiring acute detoxification.

The Mercy Psychiatrist will work with board certified Advanced Registered Nurse Practitioners, psychiatrists and primary care physicians to coordinate care and to provide specialty consultations to Mercy's patients during their hospitalizations for medical, surgical and/or obstetrical treatments.

#### About Mercy Hospital
