Welcome to Mercy!

Thank you for choosing Mercy Iowa City for your health care. We are committed to making your health our number one priority by providing the highest quality patient experience and personalized care that you expect from our dedicated team of professionals, and to do so in the spirit of the Catholic Sisters of Mercy who founded us and who continue to oversee our work.

Mercy Iowa City has been recognized as an IBM Watson Top 100 Community Hospital, Top 50 Cardiovascular Hospital, and is the only hospital in Iowa to receive five stars from the Centers for Medicare and Medicaid for five years in a row, in addition to many more accolades, honors and recognitions. We are dedicated to caring for you and your loved ones with the same skill and compassion that earned these distinctions. The tradition of excellence established here by the Sisters of Mercy in 1873 continues today as we live their mission to heal and comfort the sick, and transform the health of our community, each day.
